Creative Touch 5 Series 75" premium interactive flat panel display

- **Advanced interaction and collaboration - TapCast Pro interactive wireless collaboration toolset**
- **High-end design and features - Ultra-slim bezel and premium software features**
- **Quick-draw pen and holder - Start the session in seconds with instant whiteboard app activation**
- **Advanced touch technology - Pen and finger recognition for a seamless experience**

Optoma Creative Touch 5 Series premium interactive flat panel displays provide excellent collaboration and connectivity features for any classroom or business space.

Premium wireless collaboration software tools are preinstalled to enable seamless interactivity from a variety of different devices.

The included quick-draw pen instantly activates the whiteboard application, saving the time and energy spent on having to manually change modes.

With a slim, narrow-bezel, high-end design the 5 Series will fit seamlessly into any environment. The screen features a 1mm air gap for natural touch functionality so you can write clearly and confidently with improved accuracy.
