

# BE Sport3

Premium Wireless Sports Earphones

NU FORCE

Designed with the athletic and active lifestyle in mind, the NuForce BE Sport3 are crafted from aluminum and polycarbonate and weigh just 13g, standing out in the sports headphone segment due to its design, light weight, and durability. Fashion also meets function in this wireless headphone, with a sleek design available in gunmetal and rose gold, and multiple color options for ear tips and wings.

- **Premium Sound and Compatibility:** High quality drivers and wireless compatibility with both AAC and aptX® to seamlessly connect with iPhone® Android™ phones, as well as PCs, Macs and the Apple Watch. The BE Sport3 even enable users to activate Siri or Google voice from their smartphone.
- **Durable and Fun Design:** Crafted with an aluminum exterior and polycarbonate inner ear section, the BE Sport3 headphones offer a lightweight, sleek design.
- **Long Battery Life:** Users can continuously use the headphones for up to 10 hours without recharging.
- **Weather Resistance:** With a solid IP55 weather rating, the headphones are water and weather resistant, ensuring protection from rain, dust and sweat.
- **New Patented Ear Tips:** SpinFit TwinBlade® ear tips are uniquely designed to keep the earbuds securely in place during intense athletic activities.
- **Make a statement in the gym or on-the-go:** High quality silicon earwings and tips are included in multiple colors. Retail packaging also includes a neoprene carrying pouch as well as a cable management clip.
