

BE6i

WIRELESS BLUETOOTH IN-EAR HEADPHONES

NU FORCE

The BE6i wireless in-ear headphones, successor of the award-winning NuForce BE6, deliver a comfortable and durable wireless audio experience with uncompromised, high quality sound. Uniquely designed to combine performance with an elegant aesthetic and comfort, the BE6i provides a rich listening experience for active lifestyles.

- Superior Sound Quality: Compatible with AAC and aptX® for high quality audio streaming to iPhone®, Android™ and Windows® phones, as well as PCs and Macs.
- More Listening Time: Up to eight hours of continuous music, videos, games and phone calls.
- Extended Wireless Performance: Up to 98.5 feet Bluetooth range for flexibility and connection reliability.
- Aluminum-Only Design: Crystal clear sound with a lightweight, durable and elegant design.
- Water Resistance: With an IPX5 rating, the BE6i are water and weather resistant, ensuring protection from rain and sweat – ideal for an active lifestyle.
- Multipoint Connection: Can be connected on two devices simultaneously.
- Optimized Comfort: Six sets of custom-made NuForce silicone ear tips are included to satisfy a wide range of users, along with a pair of Comply™ soft foam ear tips.
